Peli Products UK Protector Case Range

The Peli Protector Case is a crushproof, waterproof, chemical resistant and corrosion proof case made from an ultra-high impact Copolymer Polypropylene Structural resin. All the cases incorporate a pressure purge valve to allow equalization of pressure and fitted inside the lid is a neoprene 'O' ring, this ensures that the case remains waterproof. Every aspect is designed with a distinct purpose of bringing you the ultimate in quality protective cases with a lifetime guarantee. All Peli Protector Cases are safely stackable even across the size ranges and are widely used throughout the world in many industries and applications, from the Military and Emergency services to the TV / Film & Music industry our cases can be used in the harshest environments without compromising your valuable equipment & items.

Bott UK Aluminium Transit Cases

At Trojan Crates Limited, we provide an exceptionally durable and fully portable range of aluminium cases, the ideal storage and transportation solution for every day use. These cases are sturdy and made from a robust, fully welded lightweight aluminium material.

Part No.	External Dimensions	Internal Dimensions	Weight (kg)
A620	600 X 400 X 240	545 x 345 x 220	5.6
A640	600 X 400 X 400	545 x 345 x 375	6.5
A833	800 X 400 X 330	745 x 345 x 305	8.0
A840	800 X 600 X 400	745 x 540 x 380	12.5
A860	800 X 600 X 600	745 x 540 x 585	12.5
A930	900 X 500 X 370	845 x 440 x 345	9.9

Timber Crating & Packing Solutions

Since our doors opened for business in 1979, Trojan Crates Limited has been supplying Timber Crates & Packing solutions to the UK's Oil & Gas, Subsea & Freight forwarding industries. Our large Workshop and Yard at the Harbour in Aberdeen provides the perfect location for packing items prior to being loaded onto vessels supplying the North Sea Oil & Gas sectors. In addition to this facility we also have a large Workshop and Yard in Dyce, right on the door step of Aberdeen Airport.

At Trojan Crates Limited, we buy our timber from sustainable local suppliers in the North East of Scotland, from standard plywood crates to heat treated and forestry commissioned approved (ISPM15) timber materials, Trojan Crates Limited can supply a crate that allows your items to be shipped worldwide without restrictions. With full Airfreight Security Approval and a fleet of vehicles at our disposal, we provide a 24 hour, 365 day a year call out service, guaranteeing our quality service all year round.

Our aim is to design, manufacture and deliver our quality service first time, every time. We are proud to be ISO accredited and registered members of timcon, the Forestry Commission & FPAL.

Certificate Number: AJA10/14635
